SONG FEATURES GUEST VOCALS FROM KILLSWITCH ENGAGE SINGER JESSE LEACH

NEW ALBUM *SONDER* ARRIVES ON JANUARY 21, 2025

LOSS BECOMES — Brian Tsao, guitar; Will Gomez, bass; Anthony Copozzi, vocals; Anthony Lopardo, guitars; Sean Ageman, drums — have shared their brand new single "Broken Mirrors."

The song will live on the band's forthcoming album, *Sonder*, out January 21 of next year.

"This song is pretty much summed up as a conversation about OCD, something I've dealt with as far back as I can remember. So the idea of 'bad luck' has always been

a funny thing that I've both been afraid of and laughed at continuously," says Copozzi.

He continues, "Working with Jesse was one of the best moments in my musical career. He's someone I've looked up to for many years, and now, I'm able to call him my friend. It's an honor and a privilege to work with someone that can challenge you and step up your game, while also helping craft your art into something bigger and better. What a dream come true."

ABOUT LOSS BECOMES:

Hailing from Queens and Long Island New York, Loss Becomes are not your typical metal band. Guitarist, YouTuber, and Chef/Owner of Mission Sandwich Social, Brian Tsao, has put together a band like few others. Accompanied by long time friend Will "Doc" Gomez (Johnny Cage is a Fake, Tiger Flowers), Anthony Copozzi (Thracian), Anthony Lopardo (Westfall Recording company), and Sean Ageman (Washed Up Media), Tsao and his bandmates have shaped Loss Becomes into a unique blend of metalcore with flashes of nu metal, hardcore thrash, and more. Having initially crafted their sound during the depths of the pandemic, Loss Becomes journey hasn't always been an easy one. After several years of hard work, the end product has been unleashed upon the world to critical acclaim. The music is unforgivingly aggressive with Anthony Copozzi's ferocious enthusiasm heard on every lyric, giving the band what can only be described as a full aural assault. Loss Becomes are hungry and are forgetting their manners. Having performed alongside such acts as Alien Weaponry, Darkest Hour, Dr.Acula, Dying Wish, Extinction AD, Moon Tooth, Norma Jean, Swollen Teeth, and more, the band is no stranger to the stage. Loss Becomes are ready and able to take on all challenges regardless of genre and deliver a crushing live set.
