DOFLAME RELEASES *GET BENT!* — A DELUXE EDITION OF BLUE GRAPE DEBUT

NEW TRACK "LOST IN TIME" INCLUDED IN SET — [LISTEN](#)

Last year, Toronto hardcore up-and-comer **DoFlame** released his sophomore album, ***BENT***, on his new label **Blue Grape Music**, and he's barreling headfirst into 2025.

Today, DoFlame mastermind **Mateo Naranjo** dropped the deluxe version of the album, titled **GET BENT!** Listen [here](#).

It features the new track "**Lost in Time**" and the recently released hip-hop infused "Drunk Talk" in a newly shuffled version of the album. Listen [here](#).

"Lost In Time" funnels DoFlame's sound back towards his brash punk and hardcore roots, but this time, with a big league mix from platinum engineer **Josh Wilbur** (KORN, Megadeath, Avenged Sevenfold). Appropriately, "Lost In Time" is the final statement from this seminal period of DoFlame development, a memorable punctuation to halcyon days that are worth remembering, but hard to recall.

"'Lost In Time' is about those that hold up a facade to get what they want: They lie chronically, hop town to town, and clique to clique," the artist says. "It's a burden to deal with these people, but it's bittersweet knowing they'll eventually get caught in their tracks. Those who move like that and get left behind, forgotten, and lost in time."

ABOUT BLUE GRAPE MUSIC:

In 2022, industry veterans **David Rath** and **Cees Wessels** formed **Blue Grape Music**. The name will be familiar to rock music fans, as it was the merchandise company also launched by Wessels, who founded the venerable and esteemed record label **Roadrunner Records** in the '80s. Roadrunner earned a reputation as an iconic label that turned hard rock and metal acts into household names for several decades under Wessels' tutelage. Rath spent 21 years in the A&R department at Roadrunner, working on albums by a variety of RIAA-certified and culturally important acts, including but not limited to **Slipknot**, **Korn**, **Turnstile**, **Gojira**, **Coheed and Cambria**, **White Reaper**, **Slash**, **Trivium**, **Dream Theater**, and more. When the label changed management and ownership, Rath guided the company and oversaw the signings of bands like **Young the Giant** and **Vance Joy**. Ultimately, the Blue Grape executive team is powered by experience and a roll-up-your-sleeves-and-get-your-hands-dirty, by-any-means-necessary work ethic. Blue Grape's inaugural signing was the two-time Grammy nominee **Code Orange** and since then, the label has gone on to sign San Francisco punks **Spiritual Cramp**, hardcore heavyweights **GEL**, and Baltimore sludge slingers **GASKET**, with several new signing announcements expected to be announced this year. Blue Grape is distributed globally by The Orchard.
