German breakout band **FROM FALL TO SPRING** have released their brand-new single "**Take The Pain Away.**"

The song delivers a powerful mix of soaring vocals, a massive chorus, and infectious energy.

The release comes as the band competes in "Chefsache ESC 2025 — Who Sings for Germany," the Raab TV show determining Germany's entry for the Eurovision Song Contest 2025. With their signature blend of rock, metal, and modern electronic elements, FROM FALL TO SPRING are proving to be strong contenders, captivating audiences with their electrifying performance.

The band continues to gain traction, now boasting over 160,000 unique monthly listeners on Spotify, while their debut album **RISE** has amassed over 24 million streams to date.

As momentum builds, the band is also preparing for its European headline tour, kicking off in October 2025. With their latest release and Eurovision ambitions in full swing, FROM FALL TO SPRING are on the brink of their most significant breakthrough yet.
