GET THE SHOT RELEASE THEIR HEAVIEST SONG EVER WITH "PIT OF MISERY" — [WATCH](#)

Quebec City hardcore titans **Get the Shot** are unleashing their heaviest track yet with "**Pit of Misery**."

Following the success of their previous release, "**Dominant Predation**," which featured a collaboration with Paleface Swiss vocalist Zelli, the band continues to push its boundaries.

In support of the new single, Get the Shot will embark on the "Pit of Misery Tour 2025," bringing their intense live performance to audiences across Europe. The tour kicks off on March 7 in Frankfurt, Germany, and includes stops in cities such as Munich, Berlin, and Hamburg. Fans can look forward to experiencing the band's raw energy and powerful stage presence firsthand.

More info about the European tour dates is [here](#).

"Pit of Misery" promises to be a defining moment in Get the Shot's discography, showcasing their commitment to delivering unrelenting hardcore music.
