

Pop sensation **JESSIA** keeps her unstoppable momentum going with the release of her latest single, "[Moved Around You](#)"

." Fresh off her electrifying debut headline tour—which left fans buzzing across the U.S. and Canada—JESSIA returns with a track that seamlessly blends her signature catchy pop energy with raw, relatable storytelling.

A deeply self-reflective anthem, "[Moved Around You](#)"

captures the ache of giving your all to someone who never fully gave it back. Blending soaring melodies, conversational lyricism, and an irresistibly infectious chorus, JESSIA transforms heartbreak into resilience. At a time when so many people keep their guards up, this track is a celebration of vulnerability and the real emotions that come with taking a chance on love.

“‘Moved Around You’ is for anyone who’s fallen too hard in a casual relationship,” says JESSIA. *“It always hurts to care more than the other person, but this song takes that pain and turns it into power—celebrating the fact that we were brave enough to put our hearts on the line.”* With her signature mix of honesty and empowerment, she once again showcases her knack for turning life’s messiest emotions in pure pop perfection.

With over 400 million streams to her name, JESSIA has built a reputation for crafting emotionally charged anthems that pair unfiltered honesty with undeniable hooks. Her music—both raw and unapologetic—embraces the full spectrum of human emotion, creating a space where fans feel understood, seen, and celebrated.

Since her viral breakout in 2021 with [“I’m not Pretty,”](#) the Vancouver-born, LA-based artist has captivated audiences worldwide. Her debut EP, [‘How Are You?’](#), earned widespread acclaim and won her the Breakthrough Artist Award at the 2022 Juno Awards. In 2024, she took full creative control of her project, independently releasing her sophomore EP, [‘Okay With Every Part](#)

,’ and embarking on her first-ever headline tour.

Now, with the release of [“Moved Around You,”](#) JESSIA is setting the stage for yet another defining year. With each release, she continues to prove why she’s one of pop’s most relatable, refreshing, and unstoppable forces.
