TARJA RELEASES MUSIC VIDEO FOR "DIVA (LIVE IN BUCHAREST)" FROM HER UPCOMING LIVE ALBUM *CIRCUS LIFE* — [WATCH](#)

FULL ALBUM OUT MAY 16 VIA EARMUSIC

Originally featured on Tarja's 2016 album *The Shadow Self*, "**Diva**" is a dramatic and powerful anthem that quickly became a fan favorite and one of the classics played on tour. This rendition, recorded in Bucharest at the spectacular *Circus Life* concert, showcases Tarja's signature vocal mastery, theatrical presence, and the grandeur of her live shows.

"There is a lovely memory behind 'Diva.' We were in Antigua and walking around the local harbor when we saw this old boat stored outside the water and that quickly inspired me to write a pirate themed song," Tarja says. "I playfully described the last

walk of the 'Diva' on the ship before being pushed out by the rats on board. Any resemblance to reality is pure coincidence."

Access "Diva (Live in Bucharest)" [here](#).

Recorded in January 2020, in Bucharest, Romania, the *Circus Life* show was one of a kind when Tarja performed in this very special "in the round" format. Two hours of powerful music featuring a setlist that spans Tarja's career, including all of her greatest hits such as "I Walk Alone," "Until My Last Breath," and "Innocence," as well as fan favorites like "Victim of Ritual" and "Demons In You," showcasing her evolution as an artist.

Featuring 16 accomplished musicians, including her brother Toni, and a diverse ensemble from various stages of her career, it was an extraordinary event. All songs were provided with new arrangements just for this concert, making the show a unique experience for the long-time Tarja fan, as well as the first-time listener.

Circus Life was recorded in one take, 100% live – no re-recordings, no overdubs, no special effects. Just pure, raw music.

Pre-order *Circus Life* [HERE](#).

Originally included as bonus content in the strictly limited and sold-out Mediabook and Box Set of Tarja's 2022 *Best Of: Living The Dream*, the *Circus Life* concert is now available as a stand-alone limited 2CD+Blu-ray Digipak, featuring the full two-hour live show on both audio and video. It will also be released as a limited black 3LP Gatefold edition, including an LP-sized booklet and a Blu-ray softcase.
