THROATCUT. RELEASE BRAND NEW SINGLE "DEATH//REBIRTH" — [WATCH](#)

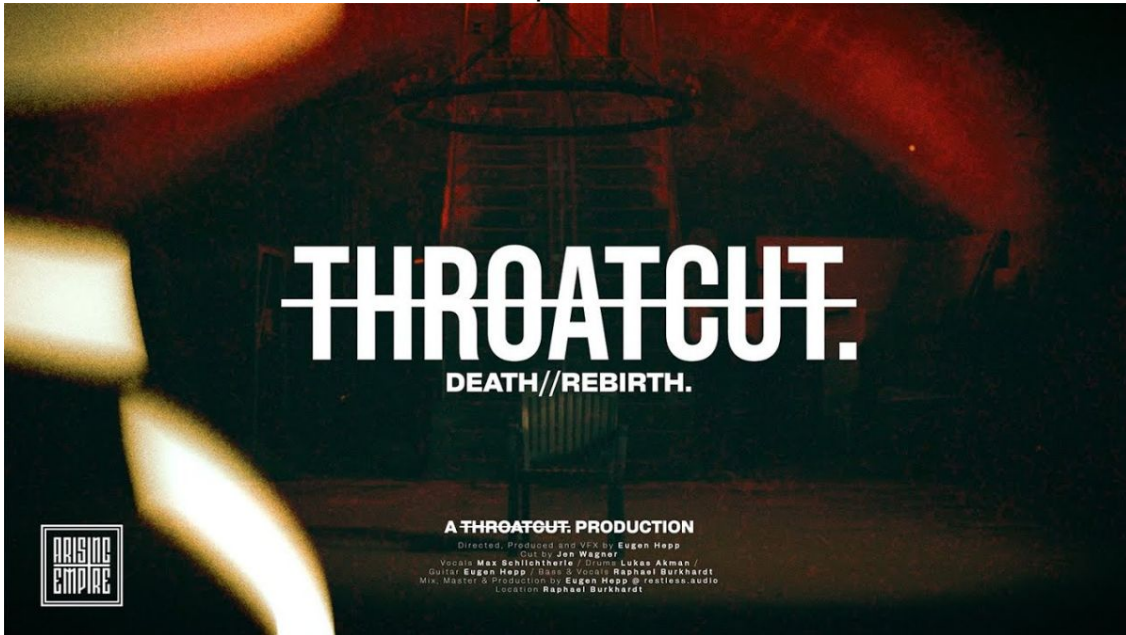

LAUNCH PRE-ORDERS FOR DEBUT ALBUM, *RESILIENCE.*, OUT JULY 18

THROATCUT. are back with a vengeance — and they're not here to play it safe. Their blistering new single "**death//rebirth.**" is a brutal statement of intent: Raw, relentless, and dripping with emotion. It's the sound of a band ripping open their scars and daring you to look.

This song marks the next chapter in their unfiltered journey, as THROATCUT. officially launch pre-orders for their long-awaited debut album **RESILIENCE.**, dropping July 18. Fueled by personal struggle, inner demons, and defiant honesty, the record is a cathartic gut-punch that doesn't flinch — because survival never sounded this visceral.

Brace yourself. This is death//rebirth. This is *RESILIENCE.* This is THROATCUT.

AVRALIZE RELEASE BRAND NEW SINGLE "HELIUM" — [LISTEN](#)

AVRALIZE have just released their newest single "**helium**," and it's one of their most intense and emotionally raw tracks to date. With "helium," the band takes listeners on a journey through feelings of internal struggle, self-alienation, and the desperate search for lightness amid overwhelming darkness.

"'helium' is not just a song. It's a state of mind," says **Severin Sailer**, frontman of the band. "It's about losing yourself — sinking into an emptiness with no escape. The search for lightness while everything around you feels heavier becomes an internal battle."

AVRALIZE are known for blending emotional depth with powerful sound and artistic creativity, and "helium" is no exception. With a unique blend of heavy alternative and raw energy, this single resonates with anyone who has faced moments of personal struggle. Whether it's confronting feelings of self-doubt or exploring the darker sides of the human experience, AVRALIZE's music offers a space for listeners to feel understood and heard.
